Refs: SGMA-8432 dated 23 October 1953; EGMA-8436 dated 23 October 1953;
EGMA-8540 dated 30 October 1953; EGMA-8599 dated 29 October 1953;
SMEML-5754 dated 28 October 1953.

1. Transmitted herewith are the following reports on the above-mentioned
Subject:

- A. Biographical Debriefing (Encl. A).
- B. Interrogator's Operational Assessment (Encl. B).
- C. Medical Report (Encl. C).
- D. LCPLUTTER Examination (Encl. D).

2. In addition to undersigned, Subject was interviewed by []
and [] and all concur in the evaluation of Subject's
character traits, intelligence, motivation, bona fides and potentialities as
described in the enclosed assessment by [] It is believed
that Subject is a mature and sincere individual who will carry out all commit-
ments and contracts which he accepts.

3. Subject is willing to undertake a hazardous mission behind the Iron
Curtain and go anywhere for training that is necessary. He has no "ties" and
is ready for immediate movement. Subject is not demanding and any reasonable
offer upon recruitment is believed to be acceptable to him.

4. As Subject is definitely not a leader type and believed unqualified
for a singleton mission, it is recommended that he be considered only for a
group mission as a team subordinate and W/T operator.
